| Highlight the wording to show the proposed change: |
| Term Limitations. No committee member shall be eligible to serve more than two (2) consecutive terms on the same committee. A committee member who has served more than one-half (1/2) of a term shall be credited with serving that term. |
| If adopted will read: |
| <i>Paragraph will have been deleted.</i> |
| Maker rationale: |
| Given the specialization and limited scope of duties associated with committee membership, Free State PTA would be better served by maintaining access to the skills committee members bring for as long as they are willing to serve. Term limits are appropriate for Officers and the Board of Directors, and since standing committee chairs are members of the Board, committee leadership will still continue to be rotated on a regular basis. |
| Governance committee recommendation and rationale: |
| For – Committee members should be free to serve as long as they can and also this enables them to gain knowledge to move up the ranks of the Free State PTA Board. |
| Board of Directors recommendation and rationale: |
| For – Motion passed to move forward to Membership Annual Meeting. |
